# INTERN ATHLETIC COMMUNICATIONS

2021-2022

Working in the Athletic Communications office gave me an opportunity to grow and expand my skills and art work, to prepare me for my future journey. I took on Social media posts, Posters, Videos, special and main events and worked with individual teams as requested. Events I have covered were Special Olympics, NGWSD, 'Why D3?' week, Senior Nights/Days and Alfies while working with individual sports teams throughout the year.
