Gap Analysis

“What framework?”

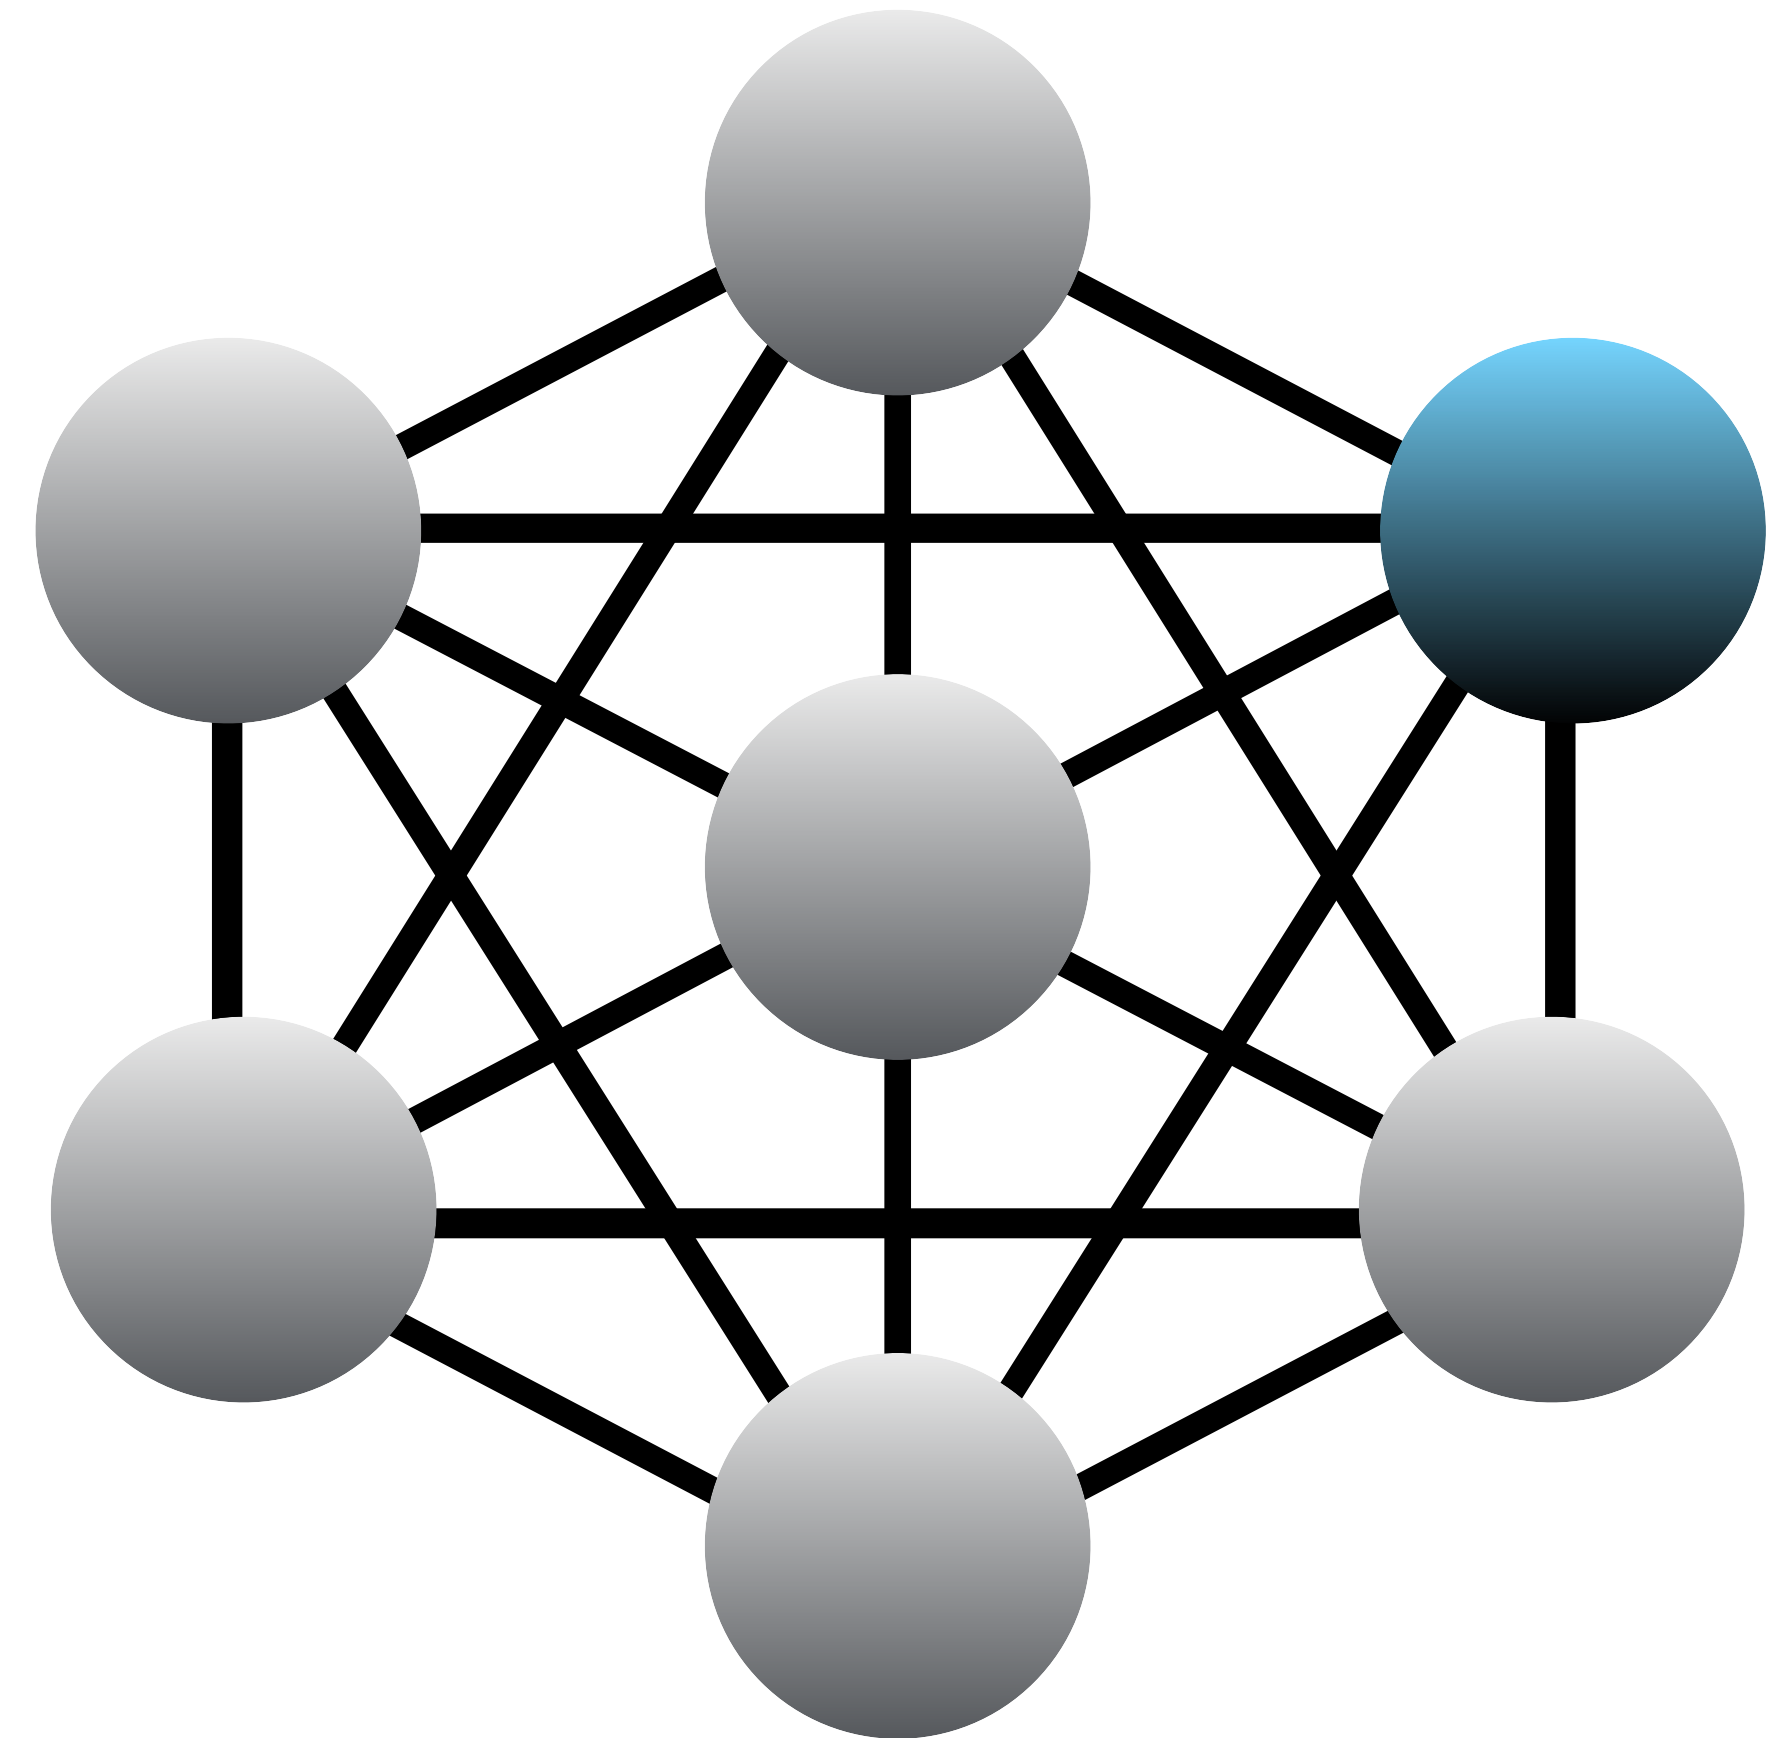

McKinsey 7S Framework

Change

~

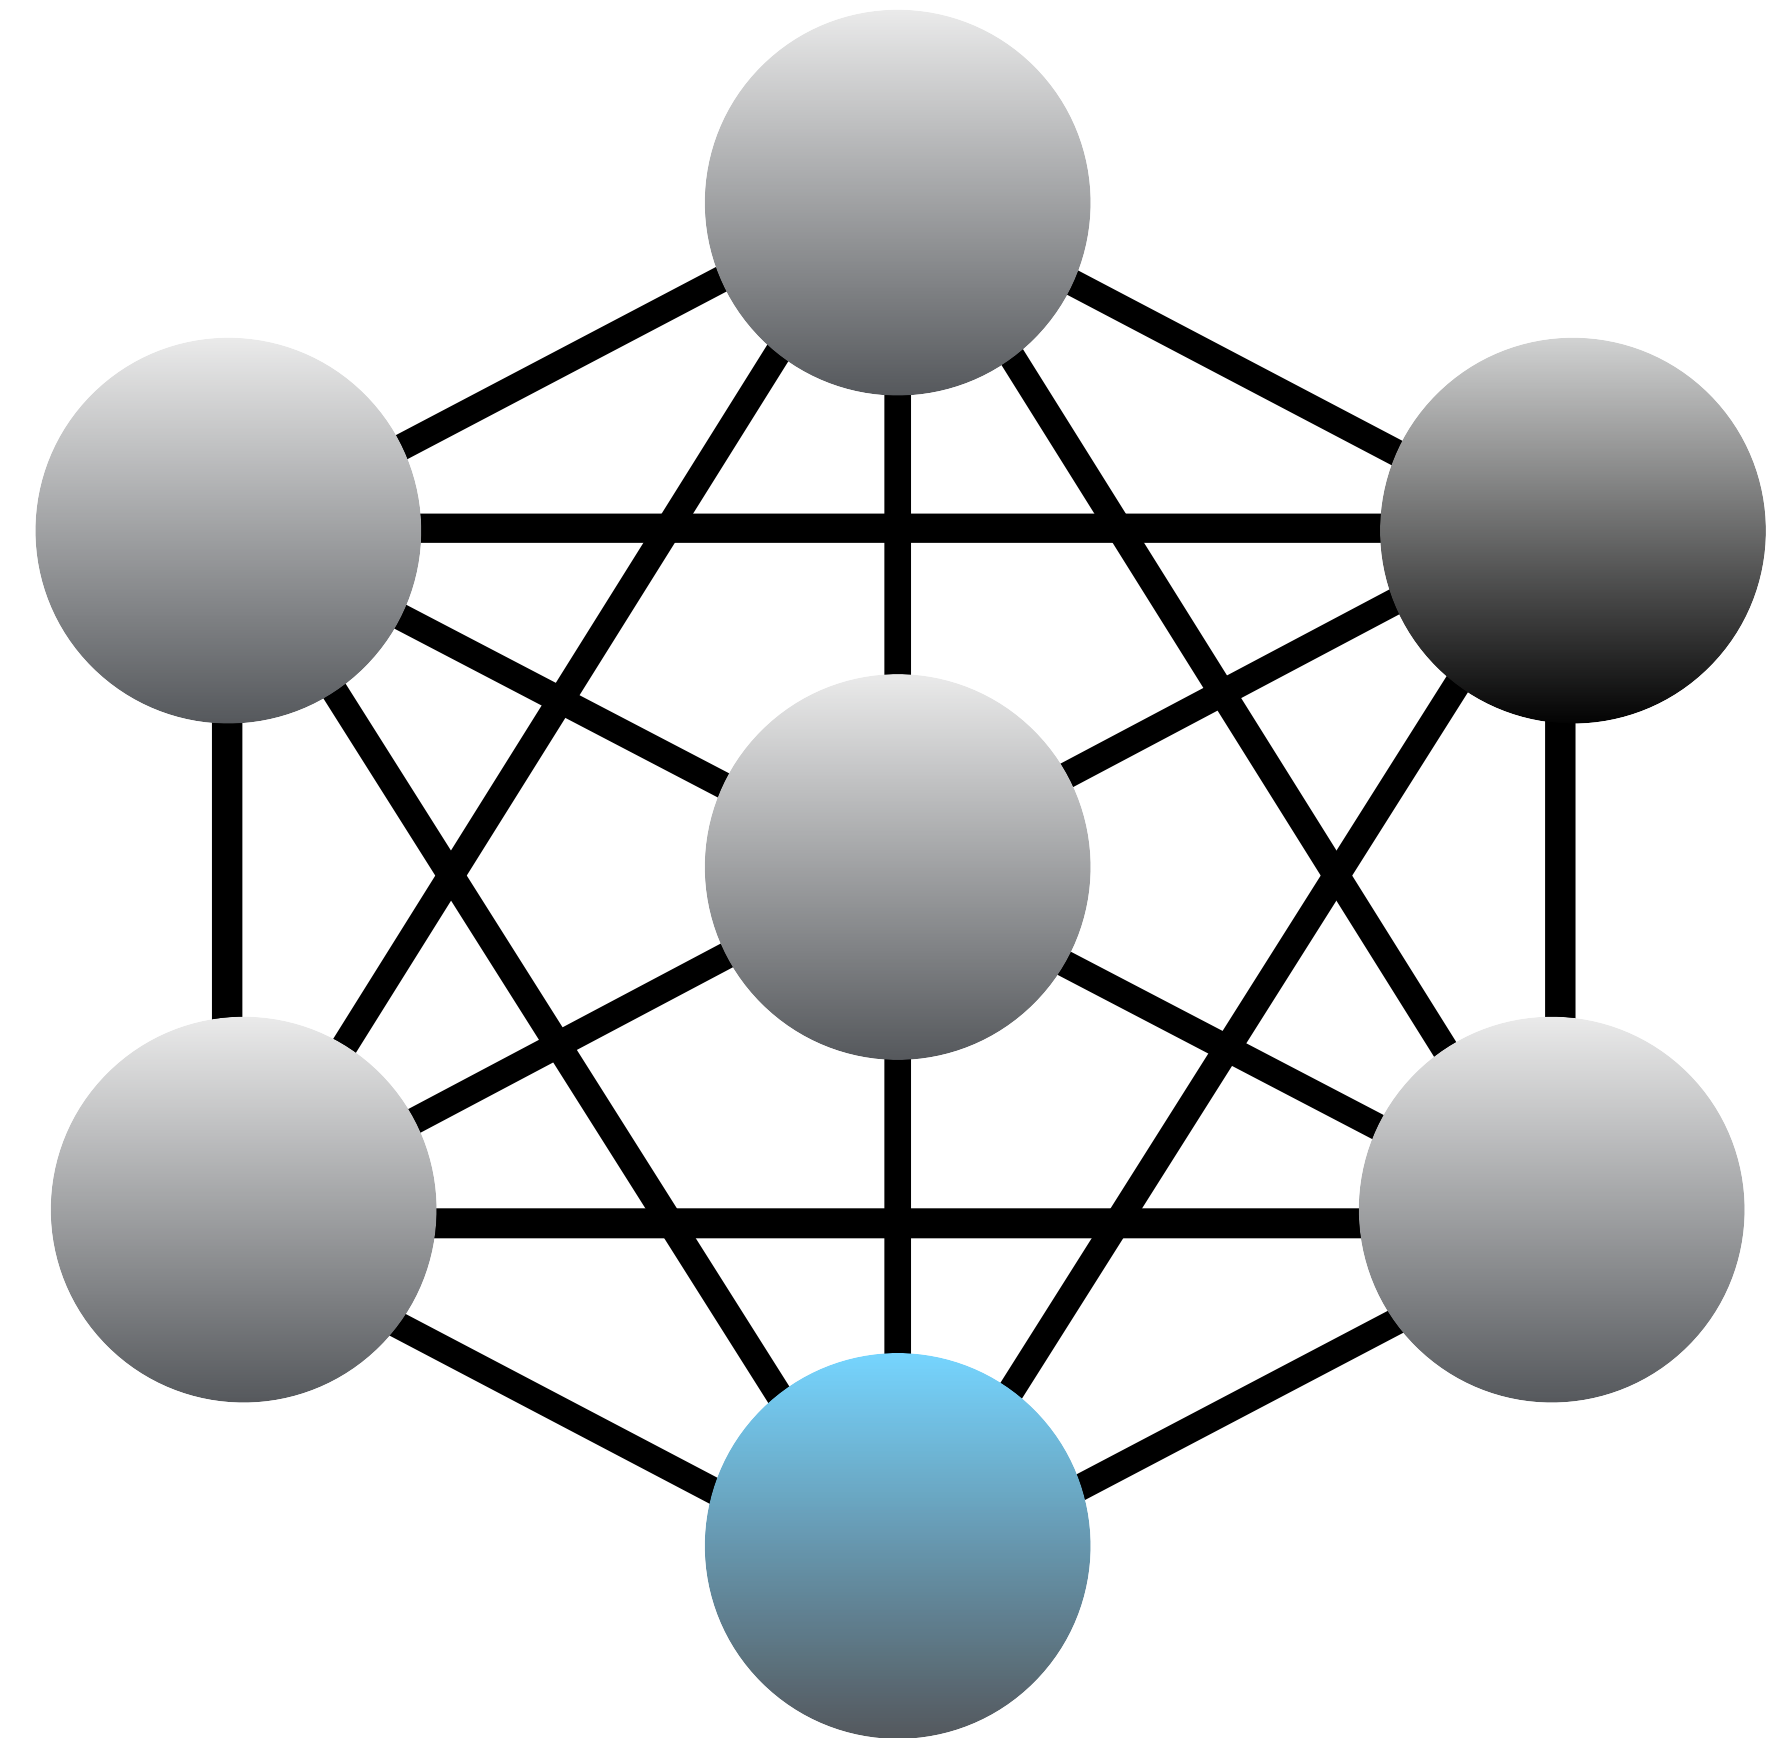

Structure

- **Multiple means of distribution**
- **Not tied to a specific LMS**
- **Rapid Application Development**
- **“Low floors” and “high ceilings”**
- **Replicable**

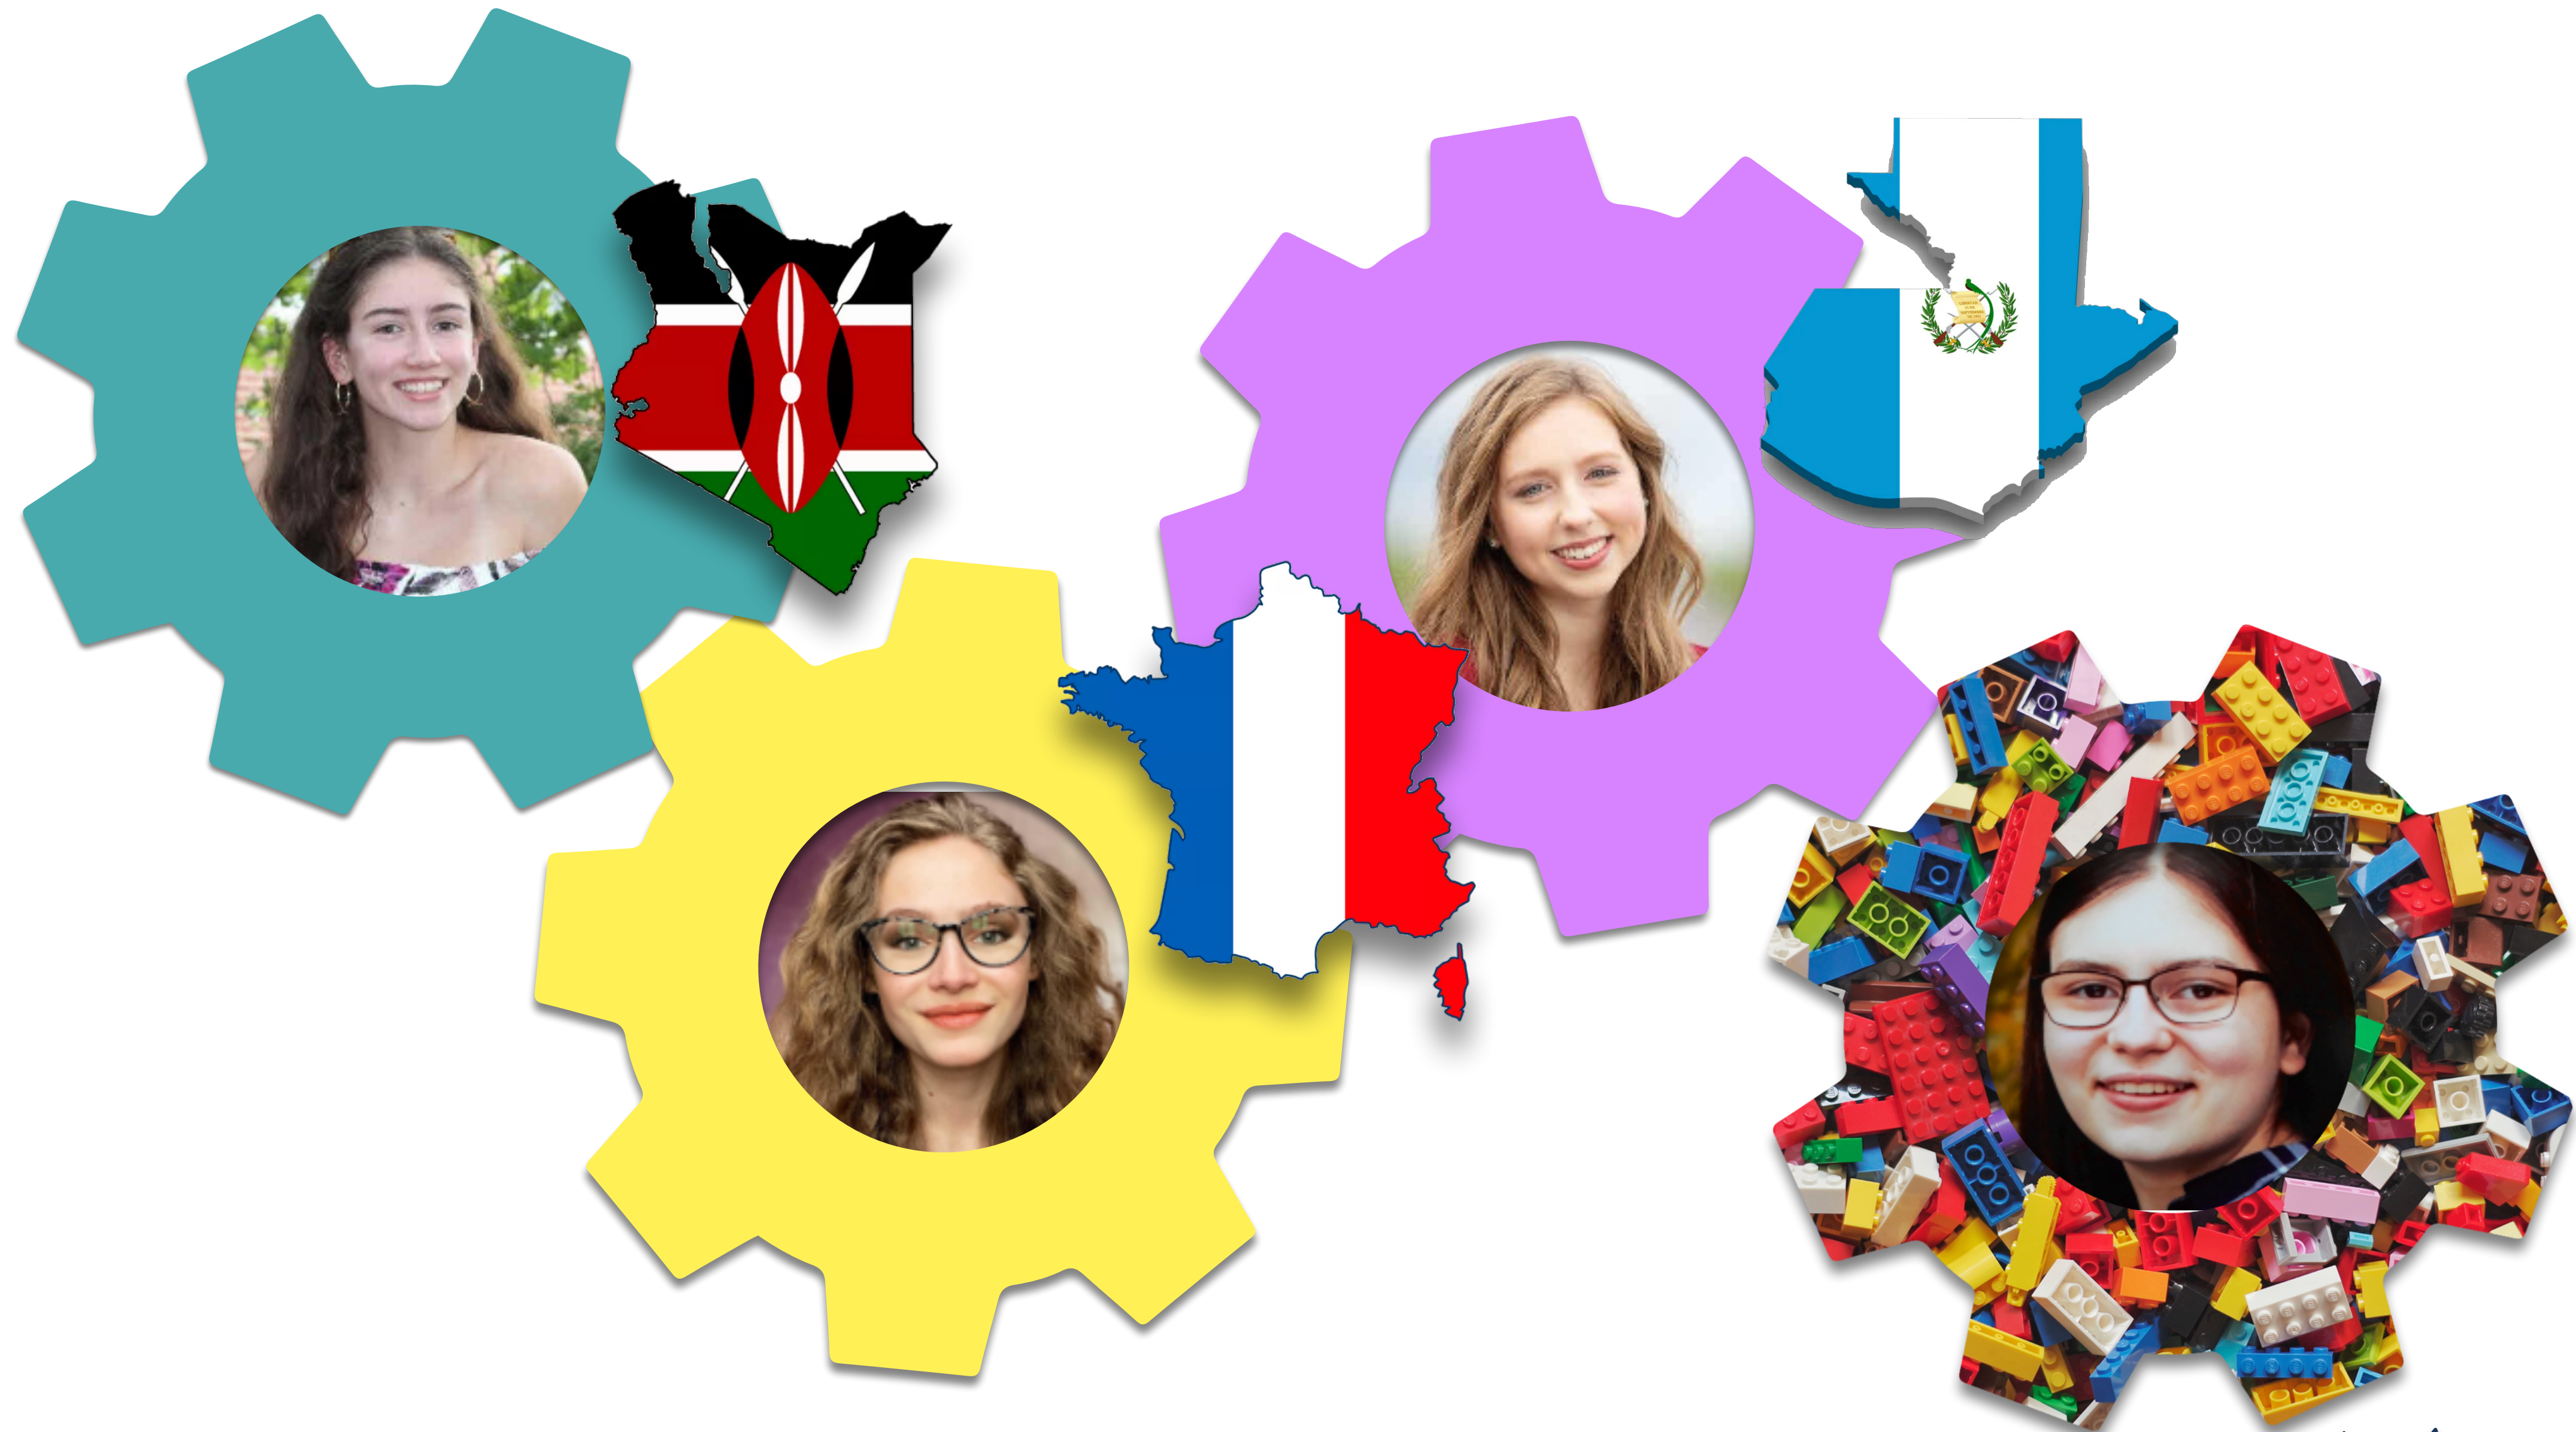

Staff

- **Capacity**
- **Emphasis on augmenting**
- **Partners which are tasked with innovating (more with less)**
- **Focus on developing students**

Student Voice

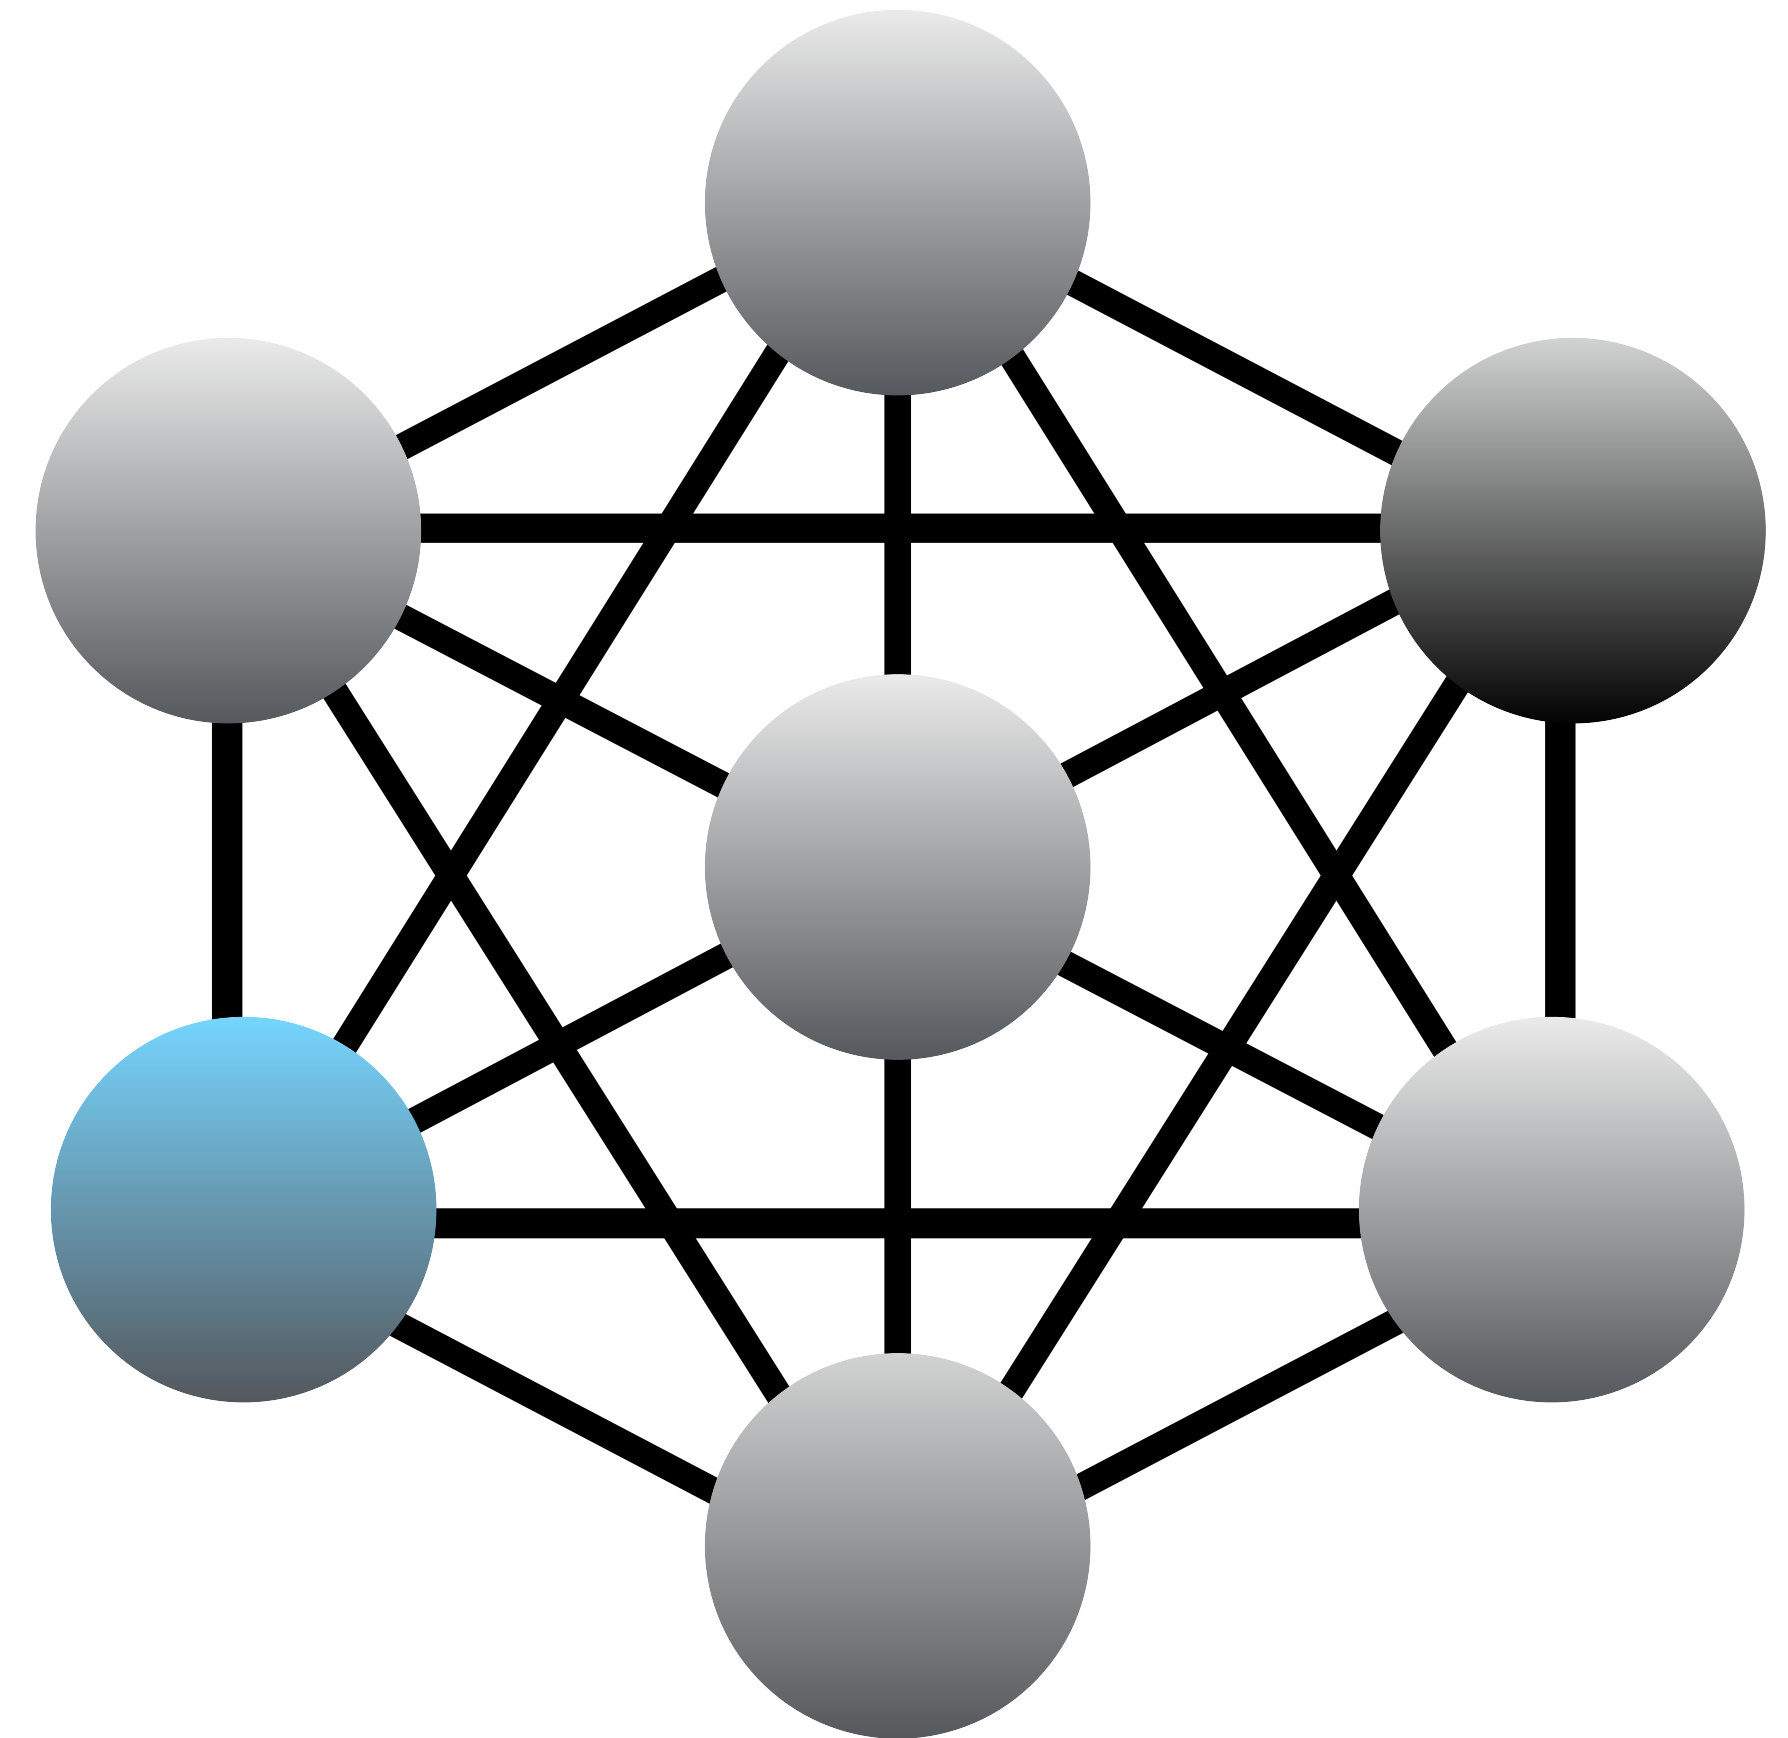

EXPERIENTIAL LEARNING!

"the Gals"

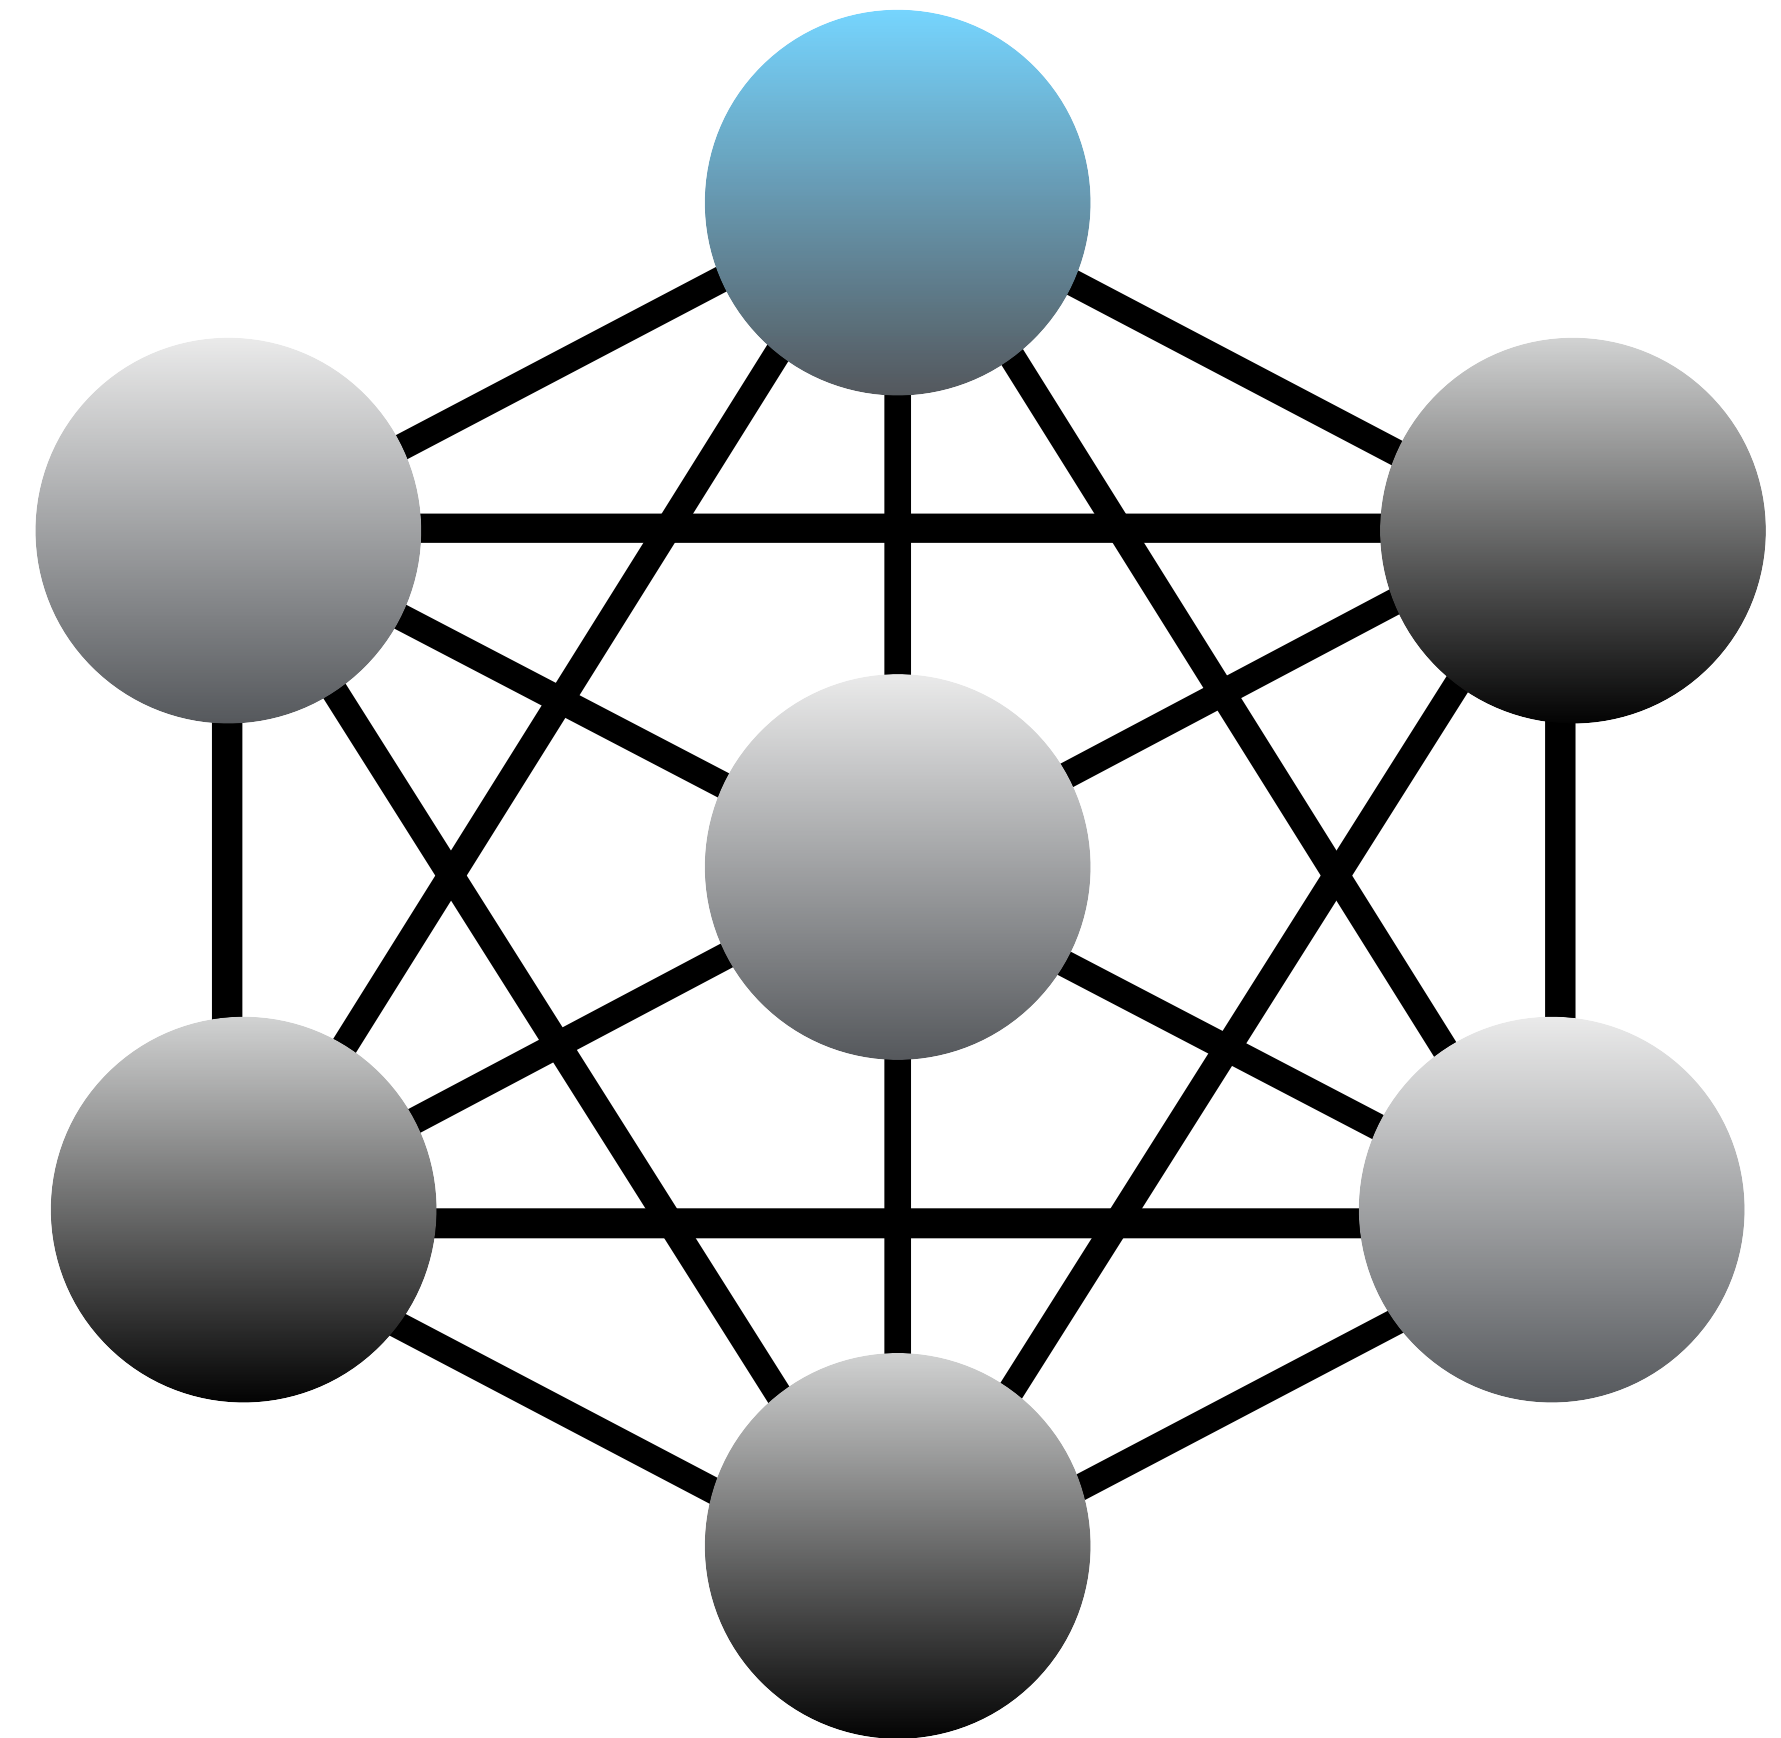

Skills

- **Audio Production**
- **Video Production**
- **Communication Skills**
- **Articulate Rise 360**
- **Project Management**

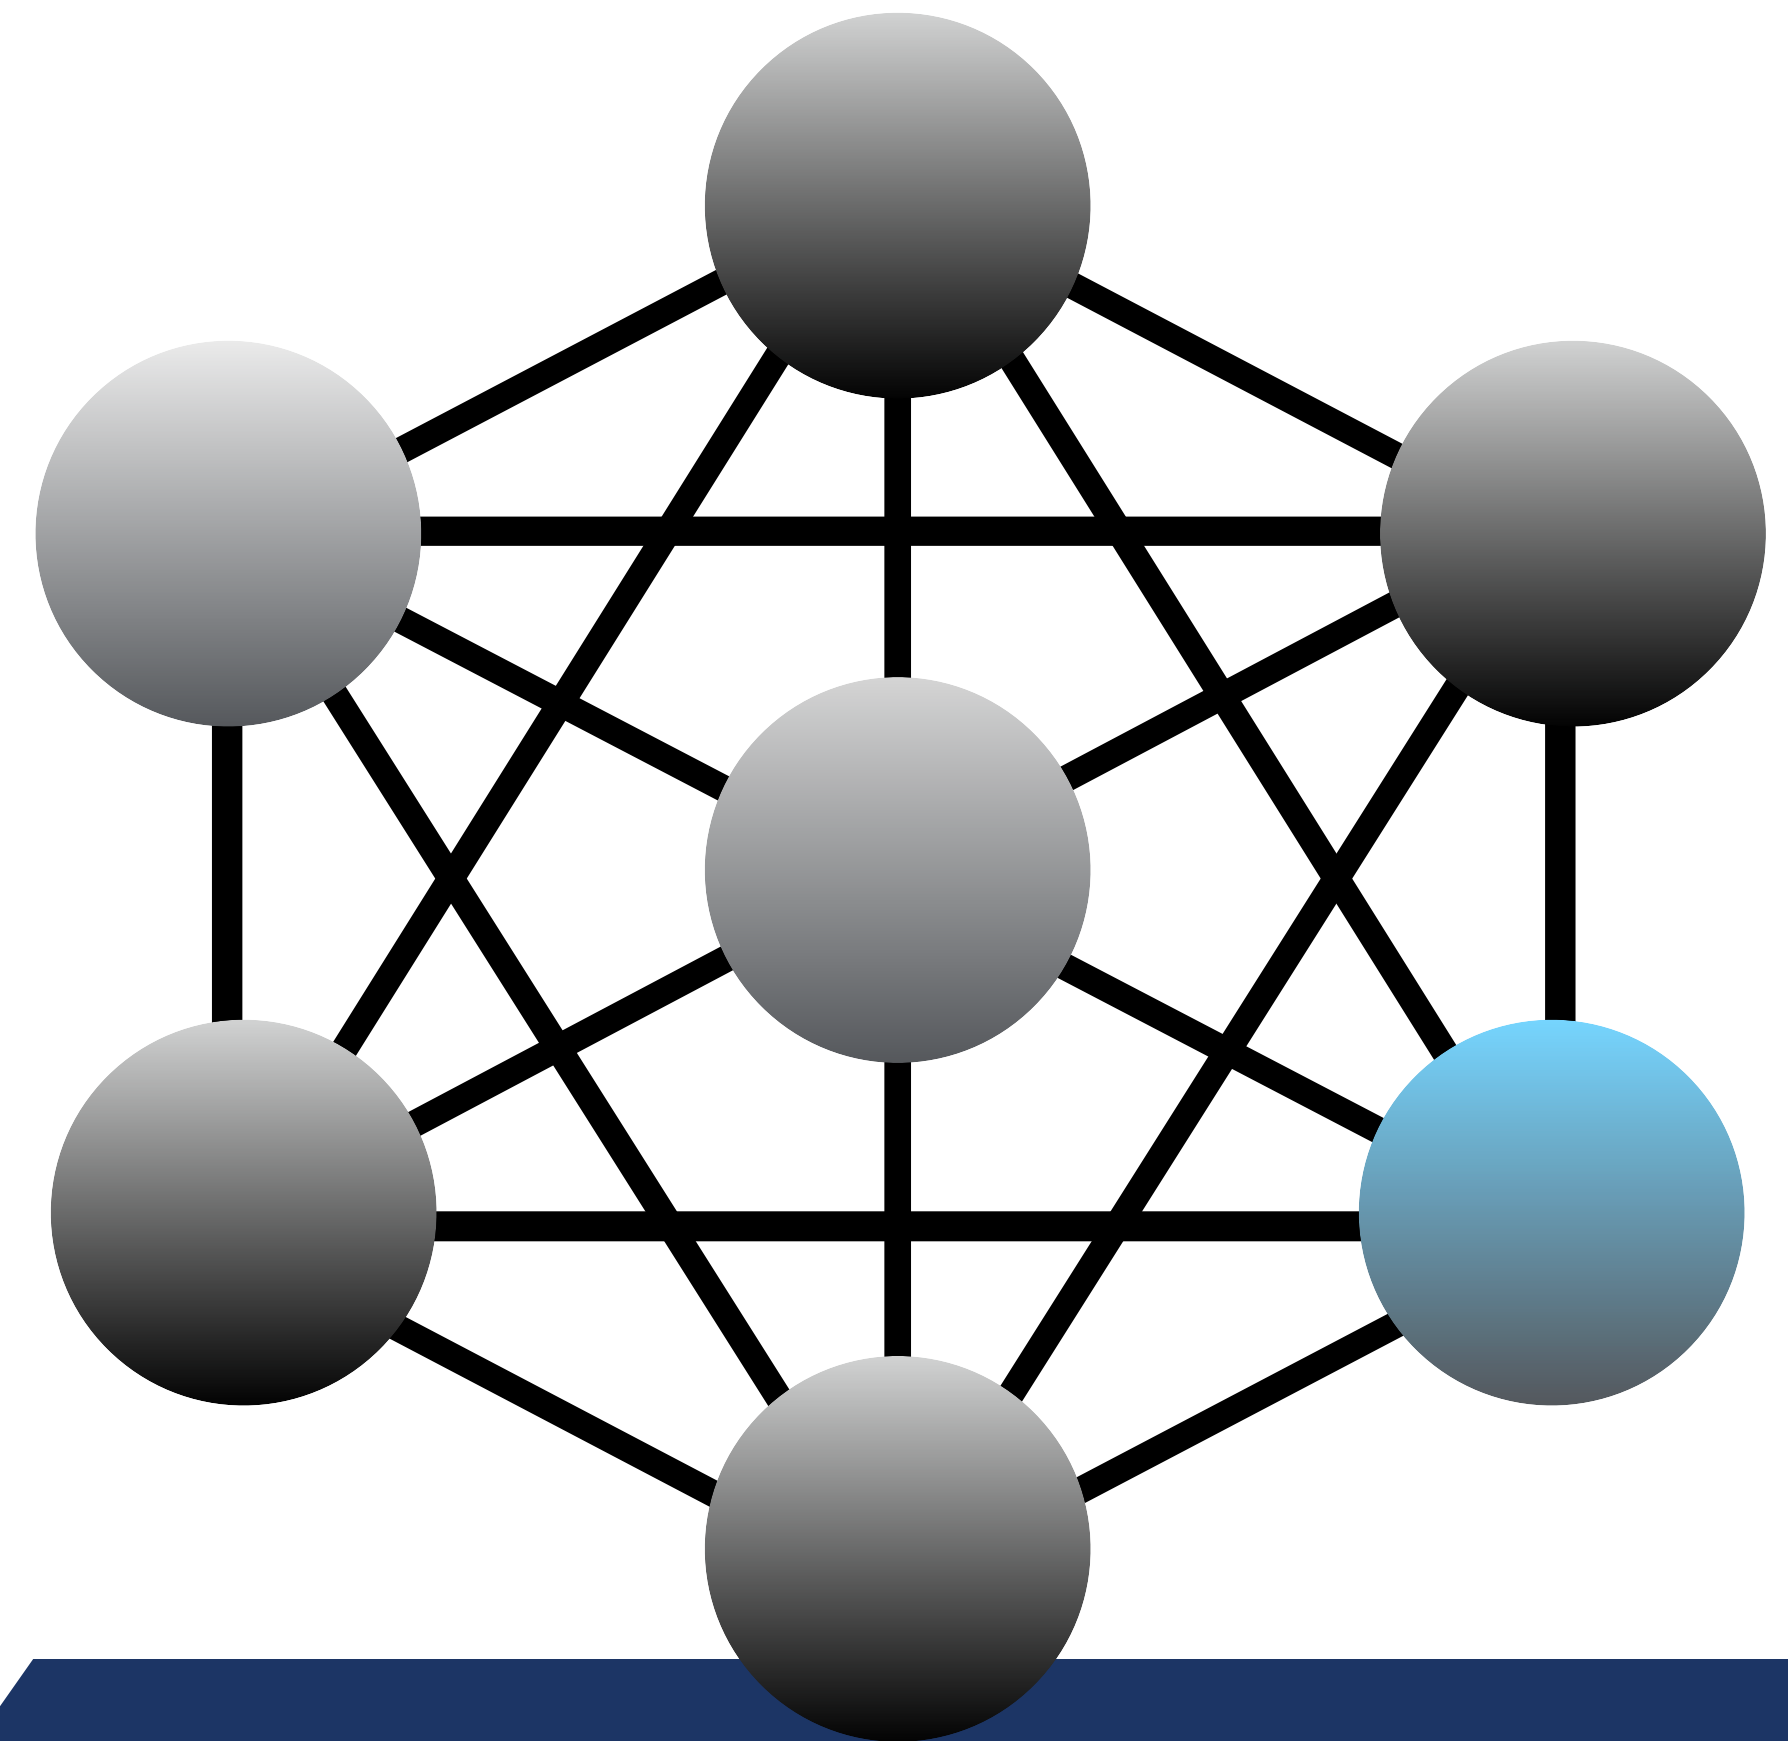

Strategy

- **Agile-like module delivery and internal control (respond to change)**
- **Human-centered design approach**

Style

- **In-person consultation**
- **Project a shared understanding of frameworks and toolsets**

#epic_fail

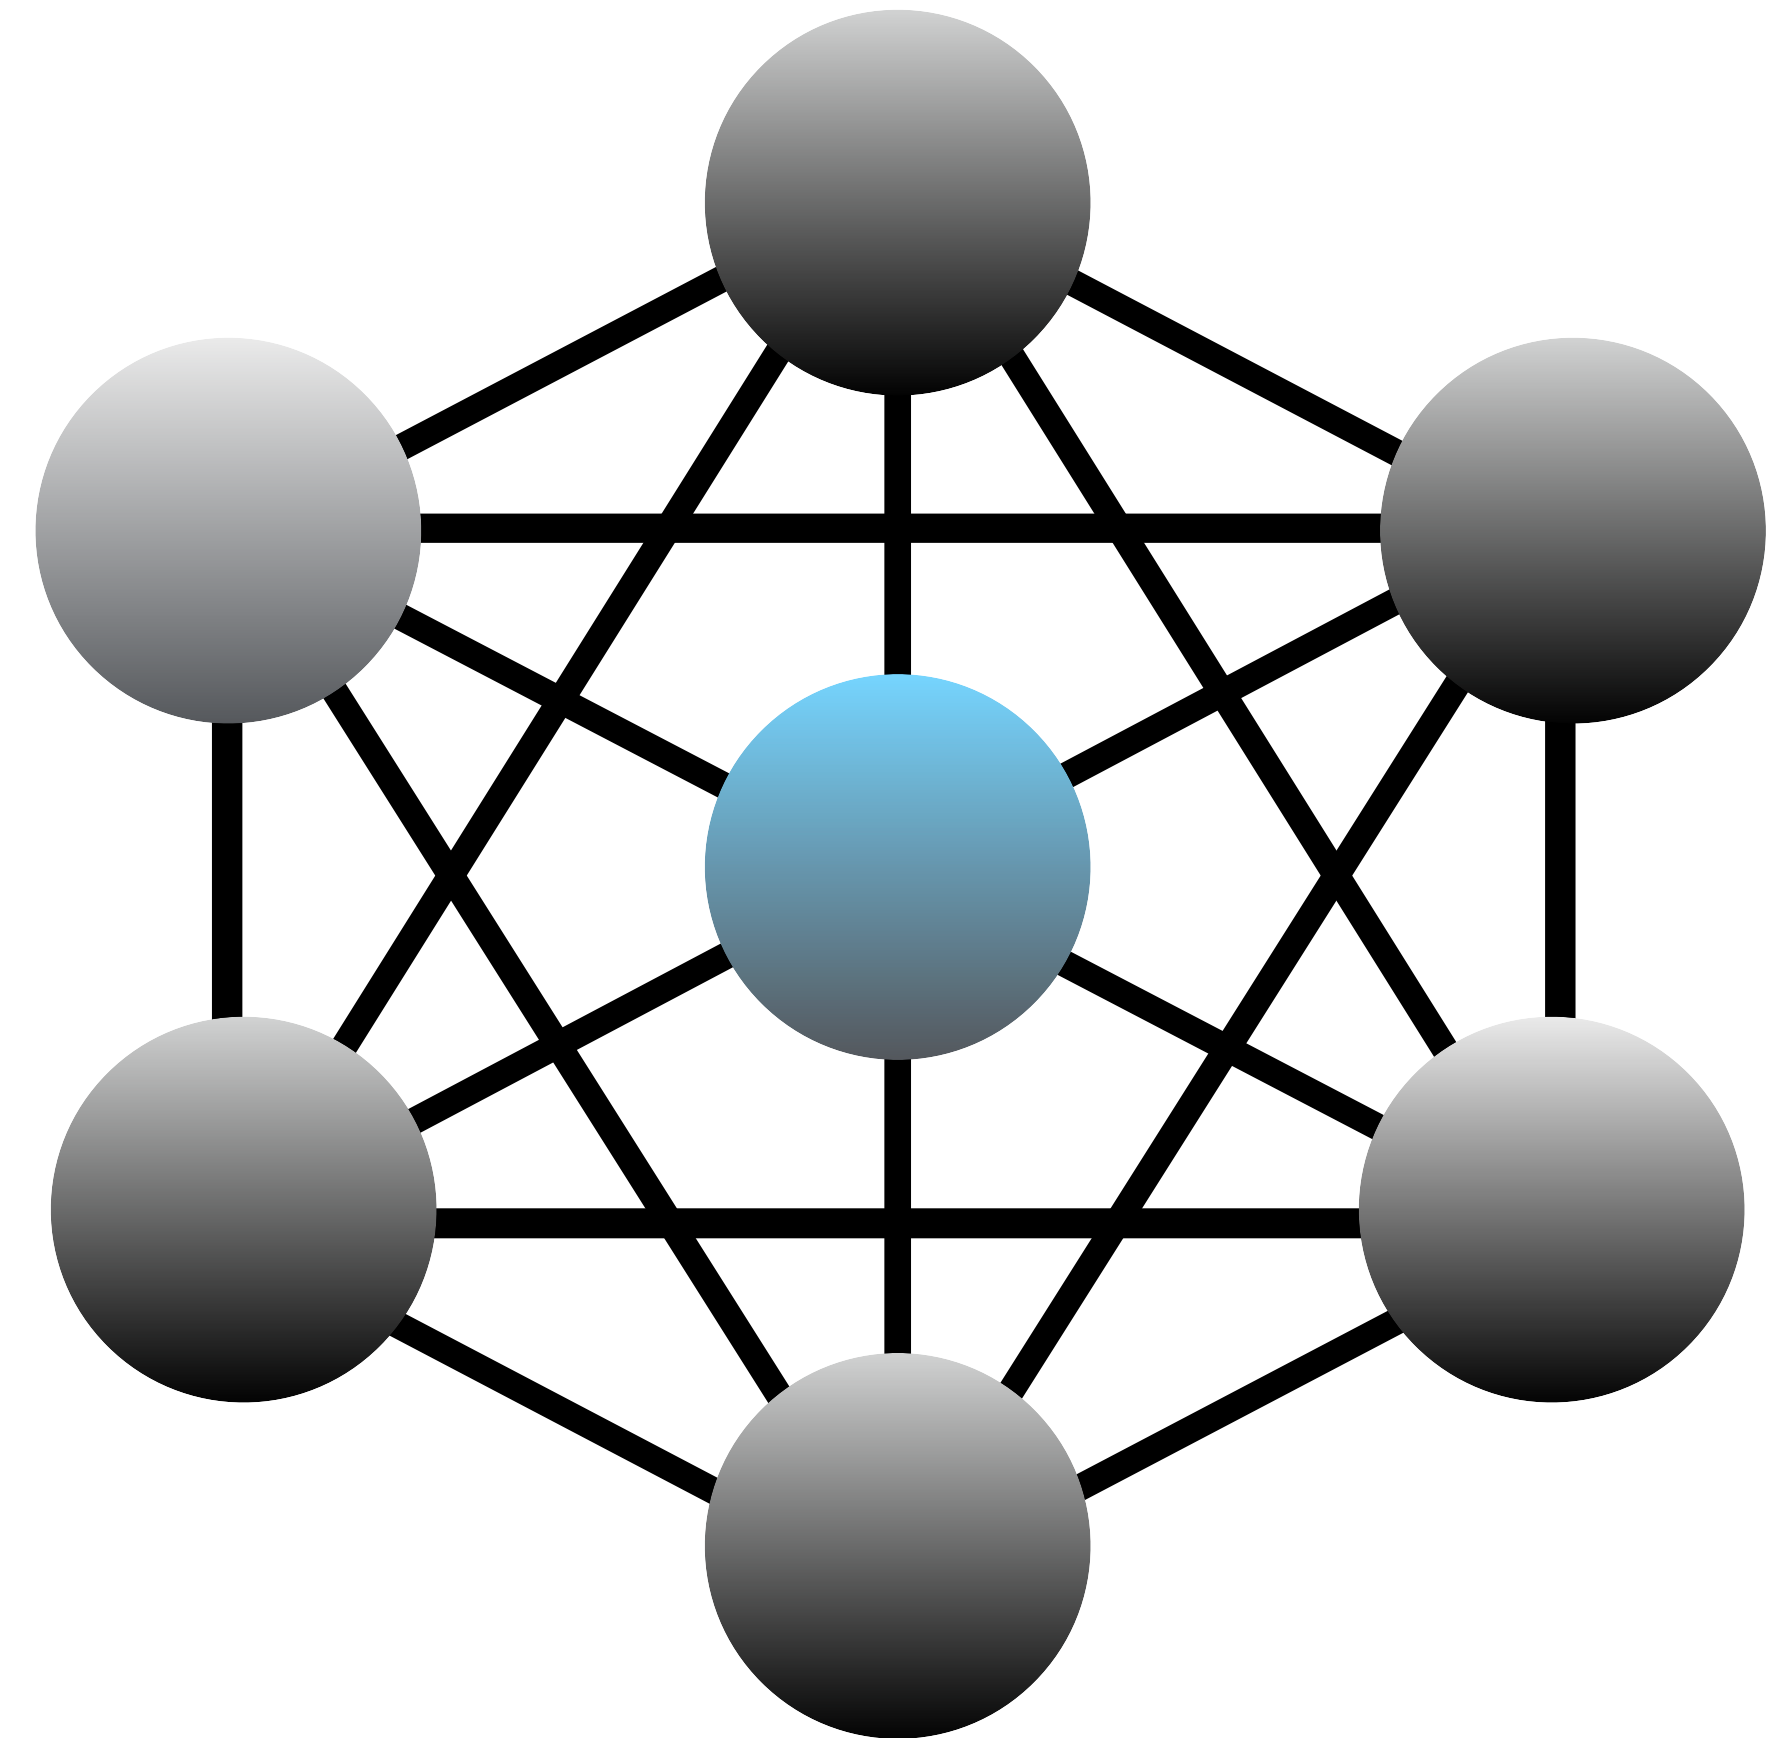

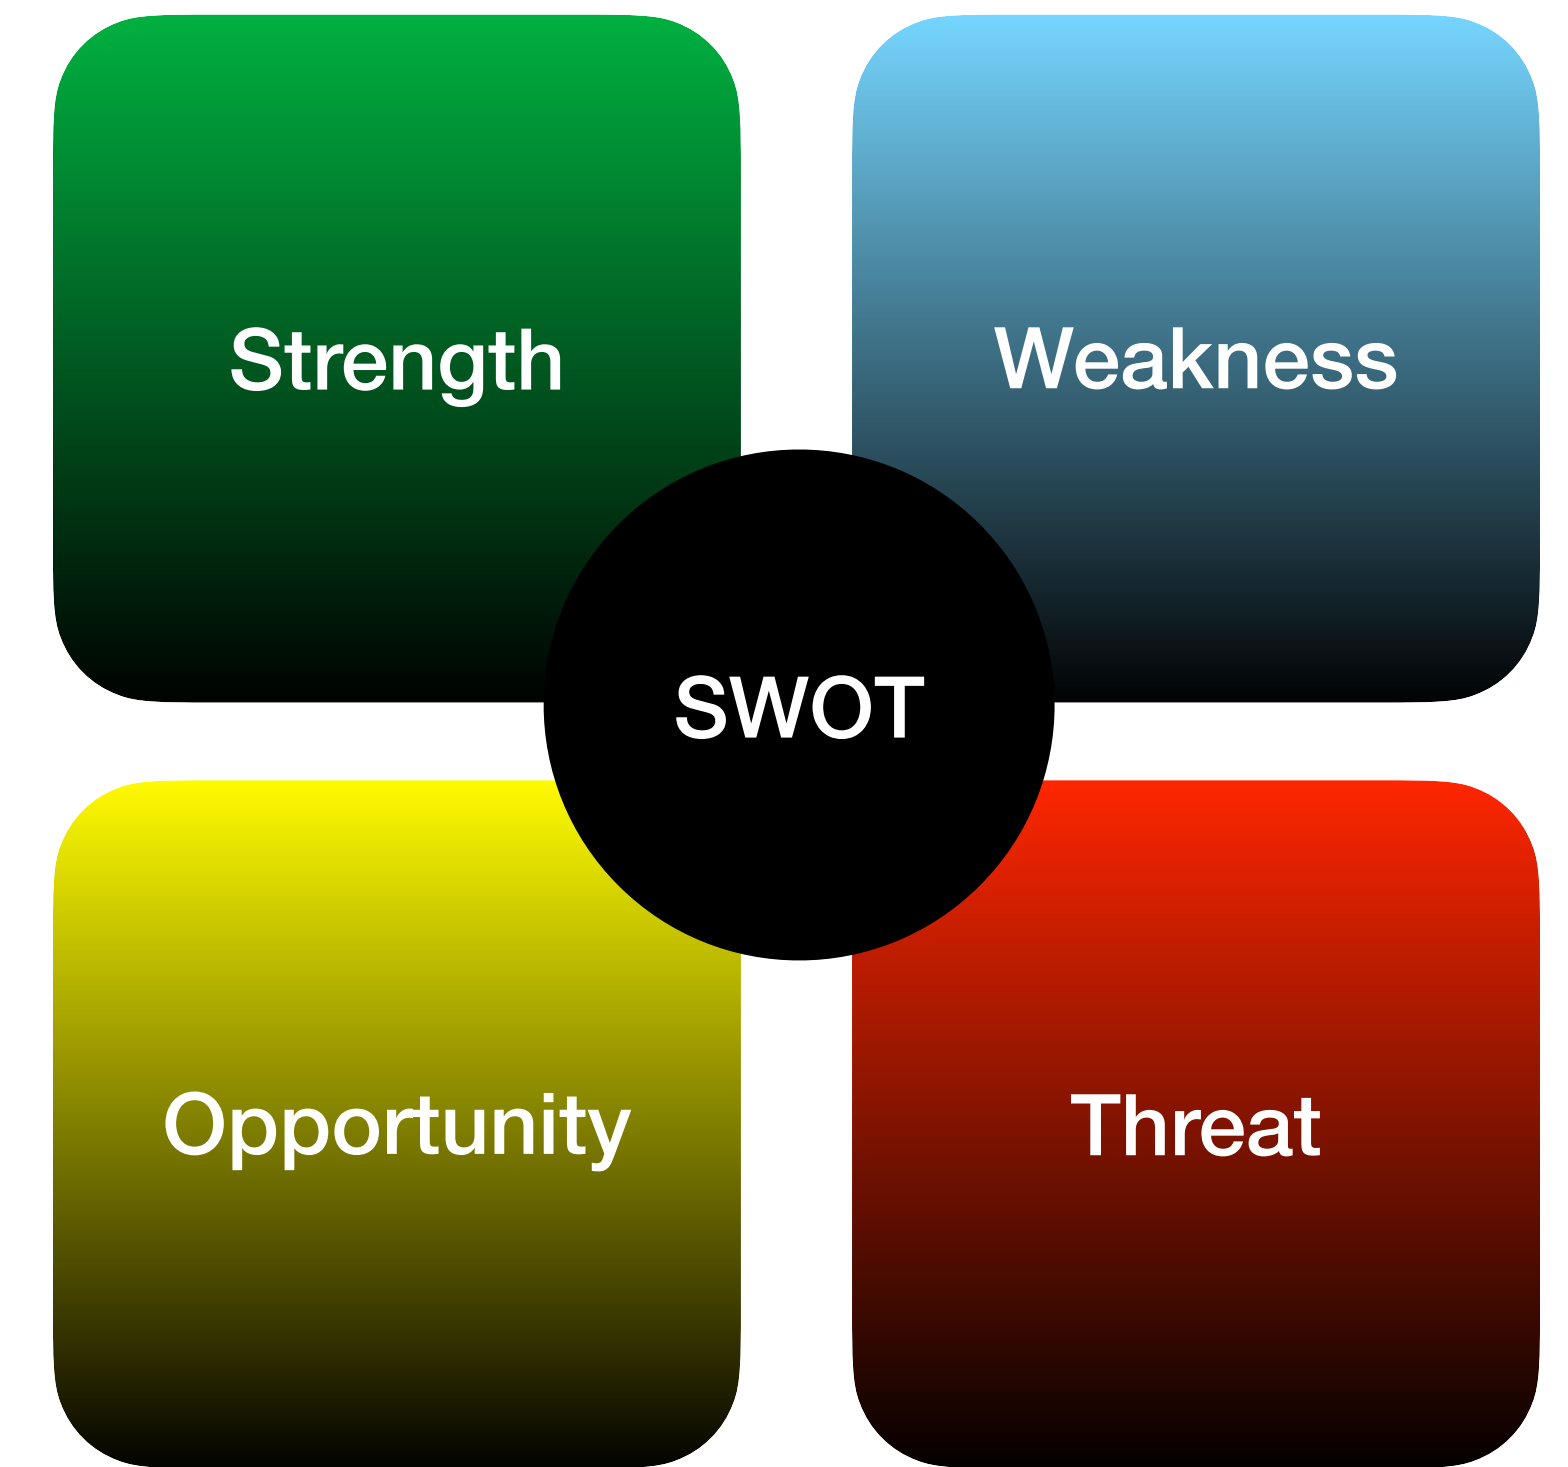

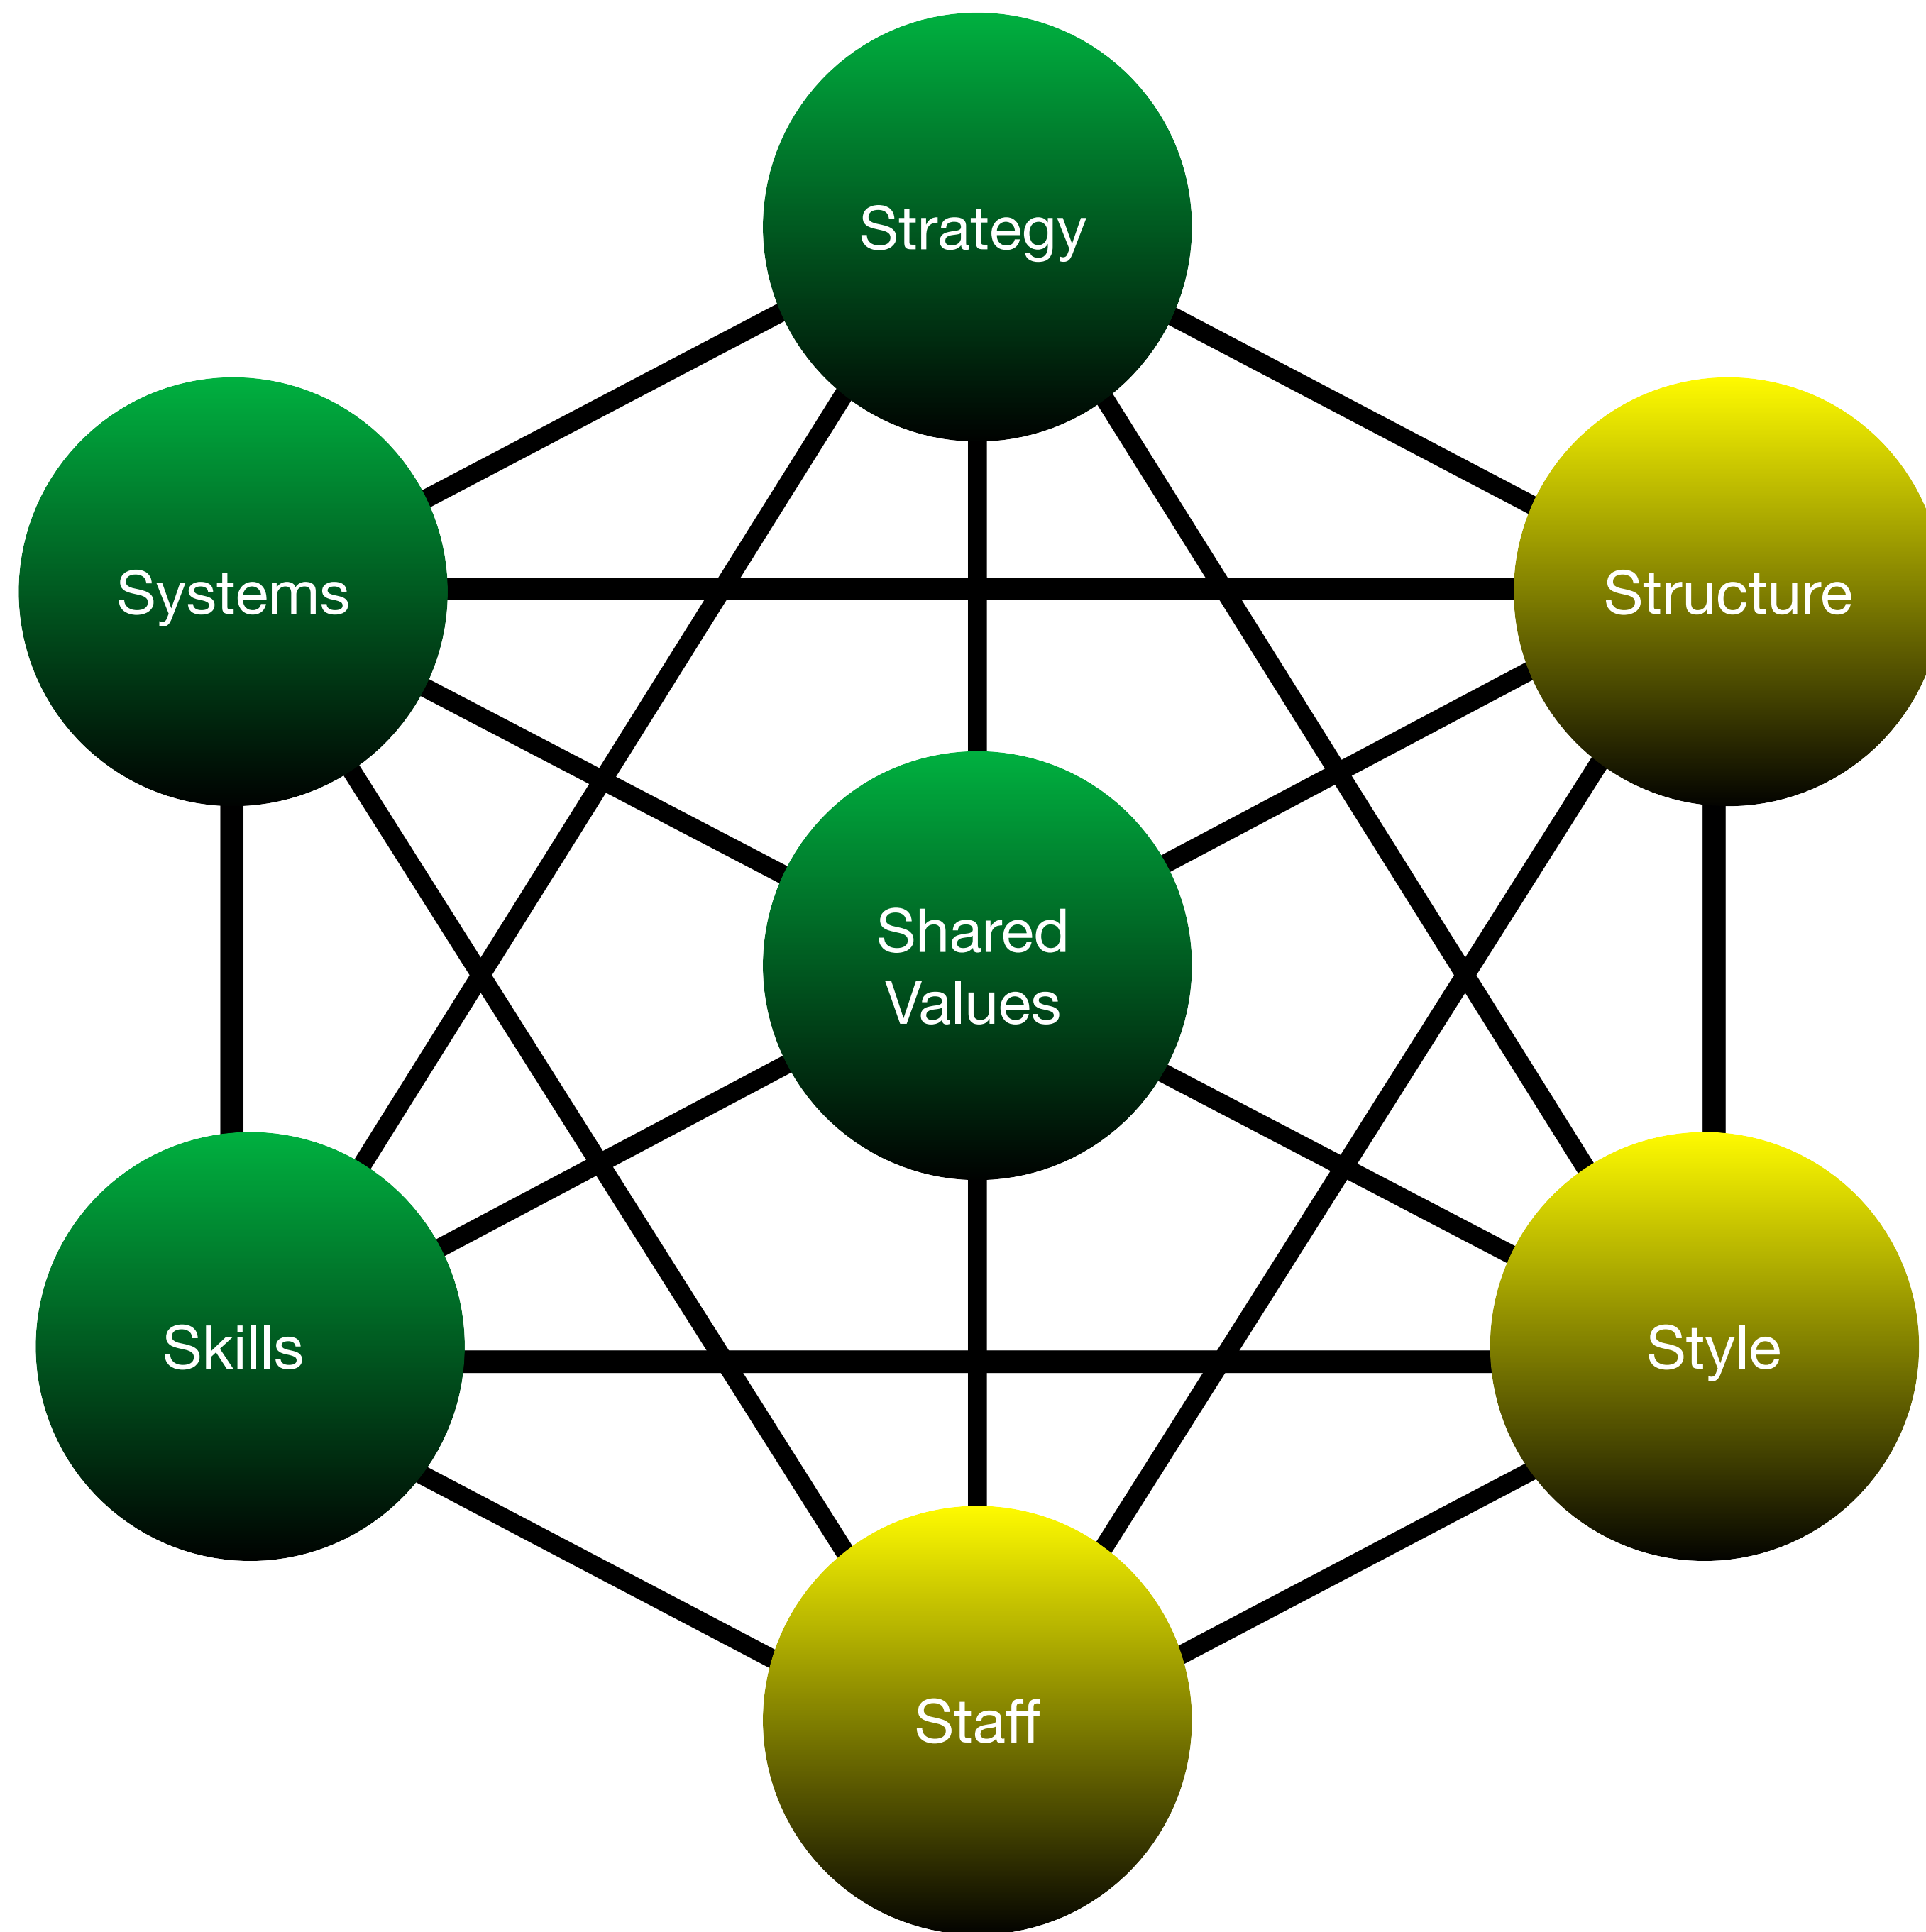

Shared Vision

Team fosters and values a spirit of innovation.

Consultation/engagements with Staff and Faculty partners have been very positive.

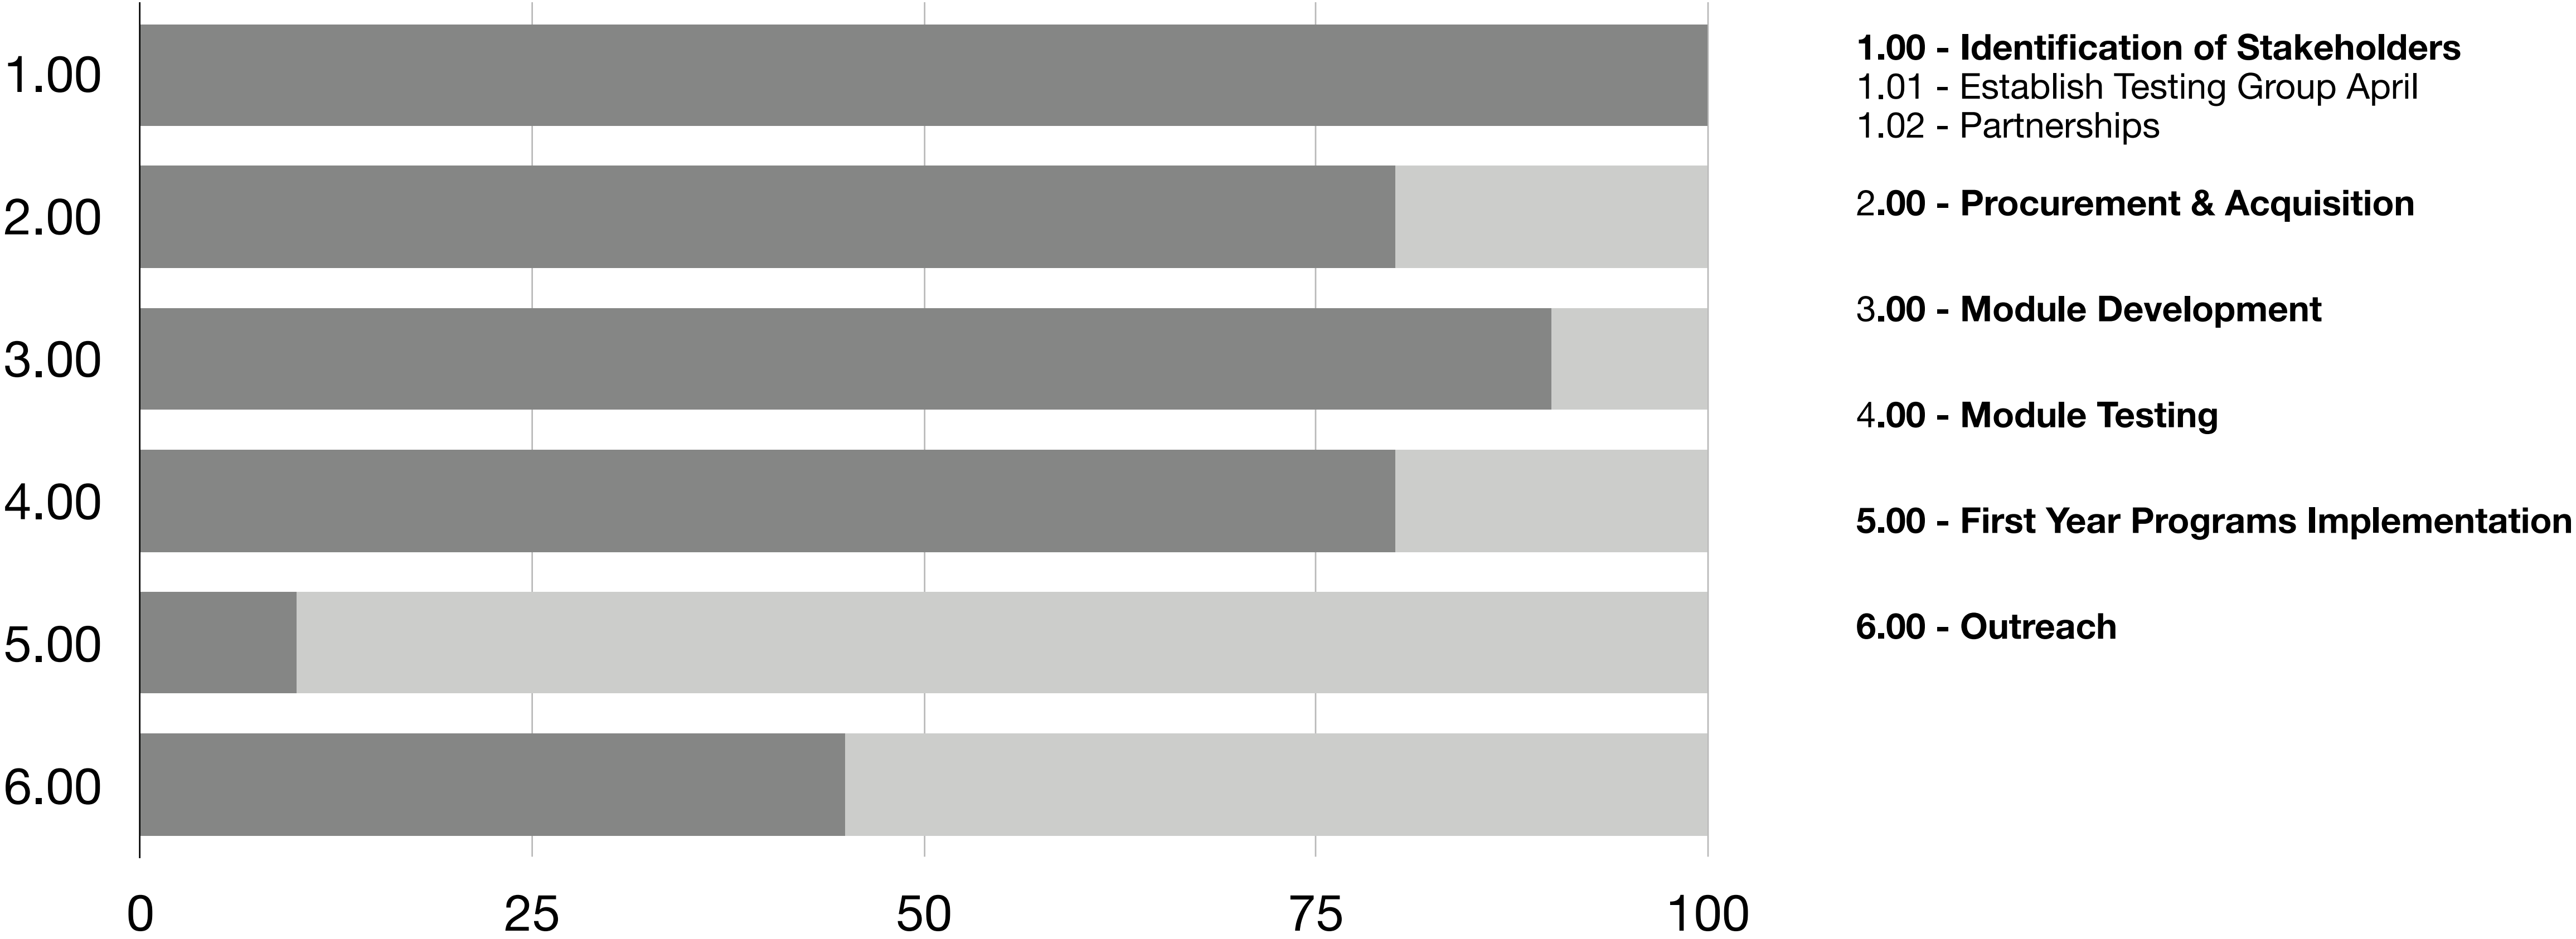

The Juniata Community possesses a strong desire to contribute to the campus and public community through OER initiatives.

McKinsey 7S Framework

Completion Graph

A photograph of a forest path leading into a dense birch forest. The path is made of dirt and fallen leaves, winding through lush green undergrowth and tall, slender trees with vibrant green foliage. The scene is bright and sunny, with light filtering through the canopy.

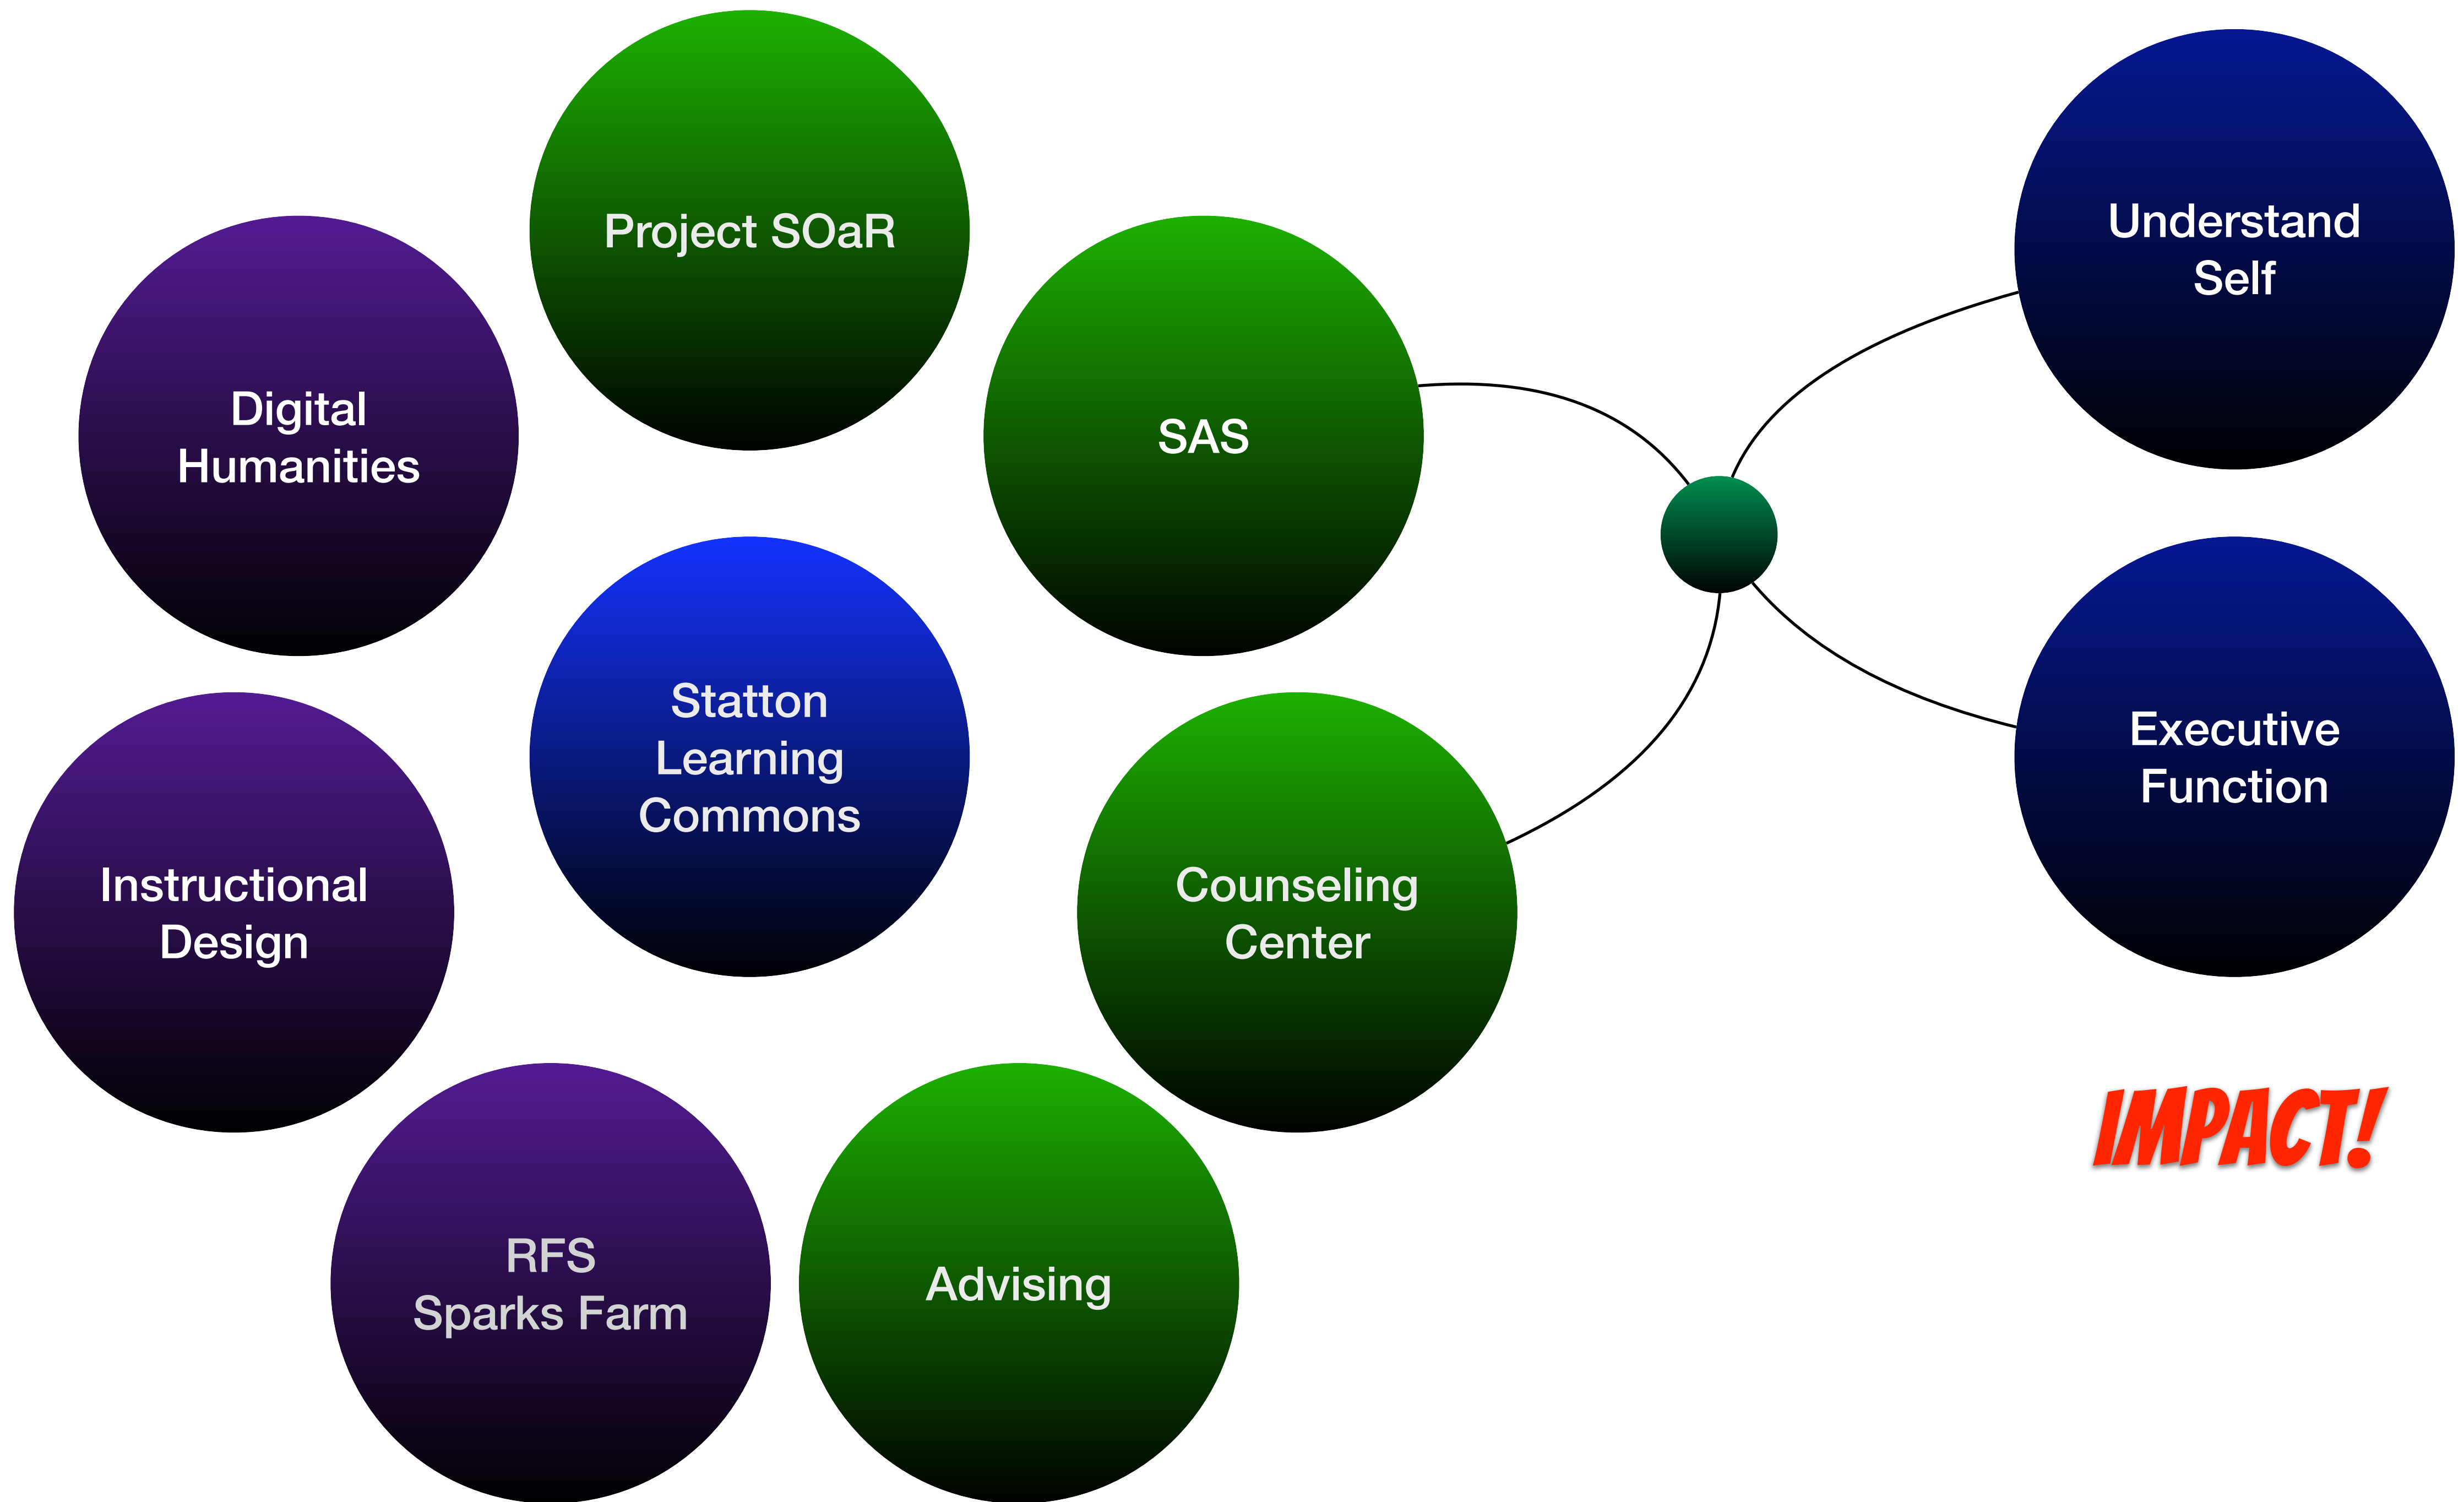

Future

Where might the path take us?

A man in a dark hoodie and jeans is jumping joyfully in a parking lot. His arms are outstretched, and he has a wide smile. The background shows several parked cars and a building with a sign that says "BANK OF AMERICA". The scene is bathed in warm, golden light, suggesting a sunset or sunrise. The overall mood is one of happiness and achievement.
